## QUESTIONS AND ANSWERS

**Q. Why did I receive this proxy statement?**

A. In accordance with Securities and Exchange Commission (“SEC”) rules, this proxy statement and the enclosed proxy card are being sent to you in connection with the solicitation of proxies by our Board for use at the Special Meeting, or at any adjournments thereof. This proxy statement summarizes the information that you need to make an informed decision on the proposals considered at the Special Meeting.

**Q. When is the Special Meeting?**

A. The Special Meeting will be held at 10:30 a.m. ET on April 10, 2023.

**Q. Where will the Special Meeting be held?**

A. The Special Meeting will be held virtually by means of a live webcast, as further described herein, which can be accessed at [www.virtualshareholdermeeting.com/FBIO2023SM](http://www.virtualshareholdermeeting.com/FBIO2023SM) when you enter your 16-digit control number included with the proxy card.

**Q. What is the purpose of the Special Meeting?**

A. At the Special Meeting, our stockholders will act upon the matters outlined in this proxy statement, namely: (i) approving the issuance of the rights and Contingent Subsidiary Securities (defined below) in order to satisfy the requirements of Nasdaq Listing Rule 5635(c); and (ii) transacting any other business that may properly come before the Special Meeting or any adjournment thereof.

**Q. How many votes do I have?**

A. On each matter to be voted upon, you have one vote for each share of common stock you own as of the close of business on February 9, 2023 (the “Record Date”).

**Q. Who is entitled to vote at our Special Meeting?**

A. Only stockholders of record as of the Record Date, are entitled to receive notice of the Special Meeting and to vote the shares that they held on that date at the Special Meeting, or any adjournment or postponement thereof. As of the close of business on the Record Date, we had 113,441,964 shares of common stock outstanding. Each share of common stock entitles its holder to one vote at the Special Meeting. A list of stockholders entitled to vote at the Special Meeting, may be examined at our offices located at 1111 Kane Concourse Suite 301 Bay Harbor Islands, FL 33154, between the hours of 10:00 a.m. and 5:00 p.m., local time, each business day, 10 days preceding the Special Meeting, or if we determine that a physical in-person inspection is not practicable, such list of stockholders may be made available electronically, upon request.

- **Stockholders of Record:** Shares Registered in Your Name. If on the Record Date your shares were registered directly in your name with our transfer agent, VStock Transfer LLC, then you are a stockholder of record. As a stockholder of record, you may vote live during the Special Meeting or vote by proxy. Whether or not you plan to participate live during the Special Meeting, we urge you to fill out and return the enclosed proxy card, to ensure your vote is counted.
- **Beneficial Owner:** Shares Registered in the Name of a Broker, Bank, Custodian or Other Nominee. If on the Record Date your shares were held in an account at a brokerage firm, bank, custodian or other nominee, then you are a beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Special Meeting. As a beneficial owner, you have the right to direct your broker, bank, custodian or other nominee on how to vote the shares in your account. You are also invited to participate live in the Special Meeting. However, because you are not the stockholder of record, you may not vote your shares live during the Special Meeting unless you request and obtain a valid proxy from your broker, bank, custodian or other nominee.

**Q. How do I vote?**

A. Whether you hold shares directly as the stockholder of record or indirectly as the beneficial owner of shares held for you by a broker or other nominee (i.e., in “street name”), you may direct your vote without attending the Special Meeting. You may vote by granting a proxy or, for shares you hold in street name, by submitting voting instructions to your broker or nominee. In most instances, you will be able to do this by internet, telephone or by mail. Please refer to the summary instructions below and those included on your proxy card or, for shares you hold in street name, the voting instruction card provided by your broker or nominee.

- **By Internet** - If you have Internet access, you may authorize your proxy from any location in the world as directed in the proxy card.
- **By Telephone** - If you are calling from the United States or Canada, you may authorize your proxy by following the “By Telephone” instructions on the proxy card or, if applicable, the telephone voting instructions that may be described on the voting instruction card sent to you by your broker or nominee.
- **By Mail** - You may authorize your proxy by signing your proxy card and mailing it in the enclosed postage-prepaid and addressed envelope. For shares you hold in street name, you may sign the voting instruction card included by your broker or nominee and mail it in the envelope provided.

You may also vote live during the Special Meeting by following the instructions posted at [www.virtualshareholdermeeting.com/FBIO2023SM](http://www.virtualshareholdermeeting.com/FBIO2023SM) and entering your 16-digit control number included with the proxy card. If you choose to vote during the Special Meeting, the virtual meeting platform is supported across browsers (e.g., Internet Explorer, Firefox, Chrome, and Safari) and devices (including desktops, laptops, tablets, and mobile devices) running the most updated version of applicable software and plugins. You should ensure that you have a strong internet connection from wherever you intend to participate in the Special Meeting.

**Q. What if I have technical difficulties or trouble accessing the virtual Special Meeting?**

A. Our virtual meeting platform provider will have technicians ready to assist you with any technical difficulties you may have accessing the virtual Special Meeting. If you encounter any difficulties accessing the virtual Special Meeting during the check-in or meeting time, please call the technical support number located on the meeting page.

**Q. What is a proxy?**

- A. A proxy is a person you appoint to vote your shares on your behalf. If you are unable to attend the Special Meeting, our Board of Directors is seeking your appointment of a proxy so that your shares may be voted. If you vote by proxy, you will be designating Lindsay A. Rosenwald, M.D., our Executive Chairman, Chief Executive Officer and President, and David Jin, our Chief Financial Officer, or either of them, as your proxies. In such event, Dr. Rosenwald and/or Mr. Jin may act on your behalf and have the authority to appoint a substitute to act as your proxy.

**Q. How will my shares be voted if I vote by proxy?**

- A. Your proxy will be voted according to the instructions you provide. If you complete and submit your proxy but do not otherwise provide instructions on how to vote your shares, your shares will be voted "FOR" Proposal No. 1, the approval of the issuance of the rights and Contingent Subsidiary Securities in order to satisfy the requirements of Nasdaq Listing Rule 5635(c). Presently, our Board does not know of any other matter that may come before the Special Meeting. However, your proxies are authorized to vote on your behalf, using their discretion, on any other business that properly comes before the Special Meeting.

**Q. Can I change my vote after I return my proxy card?**

- A. Yes. You may revoke your proxy at any time before the final vote at the Special Meeting by:

If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may send a written notice that you are revoking your proxy to our General Counsel and Corporate Secretary, Sam Berry, at our address above (so long as we receive such notice no later than the close of business on the day before the Special Meeting);
- You may submit a later dated proxy card or voting again via the Internet as described in the proxy card; or
- You may attend the virtual Special Meeting and notify the election officials at the Special Meeting that you wish to revoke your proxy and vote live during the Special Meeting by following the instructions posted at [www.virtualshareholdermeeting.com/FBIO2023SM](http://www.virtualshareholdermeeting.com/FBIO2023SM). Simply attending the Special Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker, bank, custodian or other nominee, you should follow the instructions provided by such broker, bank, custodian or other nominee.

**Q. How are votes counted?**

- A. Before the Special Meeting, our Board of Directors will appoint one or more inspectors of election for the meeting. The inspector(s) will determine the number of shares represented at the meeting, the existence of a quorum and the validity and effect of proxies. The inspector(s) will also receive, count, and tabulate ballots and votes and determine the results of the voting on each matter that comes before the Special Meeting.

**Q. What is the effect of abstentions or broker non-votes?**

- A. Abstentions, and shares represented by proxies reflecting abstentions, will be treated as present for purposes of determining the existence of a quorum at the Special Meeting. They will not be considered as votes "for" or "against" any matter for which the stockholder has indicated their intention to their vote, but because the voting standard for Proposal No. 1 is based on a majority of the votes present virtually or by proxy at the Special Meeting, they will have the same effect as a negative vote.

Broker non-votes occur when shares are held indirectly through a broker, bank or other nominee or intermediary on behalf of a beneficial owner (referred to as held in "street name") and the broker submits a proxy, but does not cast a vote on a matter because the broker has not received voting instructions from the beneficial owner, and (i) the broker does not have discretionary voting authority on the matter or (ii) the broker chooses not to vote on a matter for which it has discretionary voting authority. Pursuant to the New York Stock Exchange, which governs brokers' use of discretionary authority, brokers are permitted to exercise discretionary voting authority only on "routine" matters when voting instructions have not been timely received from a beneficial owner.

The approval of the issuance of the rights and Contingent Subsidiary Securities in order to satisfy the requirements of Nasdaq Listing Rule 5635(c) is considered a non-routine matter. Brokers that hold your shares, therefore, do not have discretionary authority to vote your shares on this matter unless they receive instructions from you on this matter. There are no discretionary items on the agenda for the Special Meeting, therefore broker non-votes should not occur and uninstructed shares held by brokers will not be deemed voting power present at the Special Meeting, resulting in such shares being excluded for purposes of determining the existence of a quorum for the Special Meeting. Therefore, because the voting standard for Proposal No. 1 is based on a majority of the votes present virtually or by proxy at the Special Meeting, broker non-votes will have no effect.

**Q. What constitutes a quorum at the Special Meeting?**

- A. In accordance with Delaware law (the law under which we are incorporated) and our Second Amended and Restated Bylaws, the presence at the Special Meeting, by proxy or virtually in person, of the holders of a majority of the outstanding shares of the capital stock entitled to vote at the Special Meeting constitutes a quorum, thereby permitting the stockholders to conduct business at the Special Meeting.

If a quorum is not present at the Special Meeting, a majority of the stockholders present virtually in person and by proxy may adjourn the meeting to another date. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting by our Board of Directors, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the adjourned meeting. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the originally called Special Meeting.

**Q. What vote is required for the approval of the issuance of the rights and Contingent Subsidiary Securities in order to satisfy the requirements of Nasdaq Listing Rule 5635(c)?**

- A. The affirmative vote of a majority of the shares of the Company's common stock present virtually in person or by proxy at the Special Meeting is required to approve Proposal No. 1 the issuance of the rights and Contingent Subsidiary Securities in order to satisfy the requirements of Nasdaq Listing Rule 5635(c).

**Q. What percentage of our outstanding common stock do our directors and executive officers own?**

A. As of the Record Date, our directors and executive officers owned, or have the right to acquire, approximately 28.5% of our outstanding common stock. See the discussion under the heading “Stock Ownership of Our Directors, Executive Officers, and 5% Beneficial Owners” on page for more details.

**Q. How can I find out the results of the voting of the Special Meeting?**

A. We will announce preliminary voting results at the Special Meeting. We will also disclose voting results on a Form 8-K filed with the SEC, within four business days of the Special Meeting.

**Q. Who is paying for this proxy solicitation?**

A. We will pay the entire cost of preparing, assembling, printing, mailing, and distributing these proxy materials and soliciting votes. If you choose to vote over the internet, you are responsible for internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities and also by our proxy solicitation firm who we have retained for that purpose.

### ***Perquisites***

From time to time, the Company has provided certain of the named executive officers with perquisites that the Board of Directors believes are reasonable. The Company does not view perquisites as a significant element of its comprehensive compensation structure, but does believe they can be useful in attracting, motivating and retaining the executive talent for which the Company competes. The Company believes that these additional benefits may assist executive officers in performing their duties and provide time efficiencies for executive officers in appropriate circumstances, and the Company may consider providing additional perquisites in the future. All future practices regarding perquisites will be approved and subject to periodic review by the Compensation Committee.

### ***Summary of Material Components of Compensation Program***

The Company believes in providing to its executive management team a competitive total compensation package featuring a combination of elements. The executive compensation programs are designed to achieve the following objectives:

- reward performance;
- attract, motivate and retain executives of outstanding ability and potential; and
- ensure that executive compensation is rationally related to building stockholder value.

The Board of Directors believes that the Company's executive compensation programs should include short- and long-term components, including cash and equity-based compensation, and should be oriented towards a merits-based metric that rewards consistent performance that meets or exceeds expectations.

### ***Base Salaries***

Base salaries for the Company's executives are initially established through arm's-length negotiation at the time the executive is hired, taking into account such executive's qualifications, experience, prior salary, the scope of his or her responsibilities, and competitive market compensation paid by other companies for similar positions within the industry. Base salaries are reviewed annually, typically in connection with the annual performance review process, and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance, and experience. While other of the Company's executives are paid salaries typical within the industry for persons of their experience and expertise, Dr. Rosenwald and Mr. Weiss have elected to largely forego the payment of salary in exchange for participation in the merits-based programs described below.

### ***Annual Discretionary Bonuses***

In addition to the payment of base salaries, the Company believes that discretionary bonuses can play an important role in providing appropriate incentives to its executives to achieve the Company's strategic objectives. As part of the annual performance reviews, the Compensation Committee reviews and analyzes each executive officer's overall performance against such executive's goals as identified by the Compensation Committee.

### ***Long-Term Incentive Plan***

The Fortress Biotech, Inc. Amended and Restated Long Term Incentive Plan (the "LTIP") is designed to compensate Dr. Rosenwald and Mr. Weiss based on their responsibilities and for their contributions to the successful achievement of certain corporate goals and objectives of the Company and to share the success and risks of the Company based upon achievement of business goals. Eligible participants include Dr. Rosenwald, Mr. Weiss, or any limited liability company or limited partnership owned and controlled by Dr. Rosenwald or Mr. Weiss, provided such entity has a bona fide service provider relationship with the Company ("Eligible Entities" and together with Dr. Rosenwald and Mr. Weiss, the "LTIP Participants").

On January 1 of each year, the LTIP entitles the Company to grant restricted shares of common stock of the Company to the LTIP Participants equal to up to one percent (1%) of the total outstanding shares of common stock of the Company, such actual amount to be based upon the achievement of the goals and objectives of each individual as set by the Compensation Committee for the preceding year. In the case of the LTIP Participants, such goals and objectives include, among other things, the Company's in-licensing of new medical technologies of substantial promise, operational and cash management, the Company's issuance of new debt securities, the Company's achievement of developmental, regulatory and clinical milestones in respect of its in-licensed technologies, the recruitment and retention of personnel, share price performance, trading volume of the Company's public securities, and the overall positioning of the Company within its relevant market.

Restricted shares granted under the LTIP are subject to repurchase by the Company until both of the following conditions are met: (i) the Company achieves a specified market capitalization milestone, and (ii) the employee is either in the service of the Company as an employee or as a Board member (or both) on the tenth anniversary of the LTIP, or the eligible employee has had an involuntary separation from service (as defined in the LTIP). The Company's repurchase option on such shares will also lapse upon the occurrence of a corporate transaction (as defined in the LTIP) if the eligible employee is in service on the date of the corporate transaction.

In addition, pursuant to the LTIP, upon the formation of each new partner company of the Company, the LTIP Participants are to each receive five percent (5%) of the total outstanding shares of common stock of the partner company. Accordingly, in 2022, the LTIP Participants were each granted 500,000 shares of common stock of FBIO Acquisition Corps. XXI through L.

Pursuant to the LTIP, the LTIP Participants are also eligible for performance-based cash bonuses not to exceed an annual aggregate amount of \$1,000,000. In March 2022, Dr. Rosenwald and Mr. Weiss each waived their rights to any cash bonus in connection with their performance for calendar year 2021. In March 2023, Dr. Rosenwald and Mr. Weiss again waived their rights to receive any cash bonus in connection with their performance for calendar year 2022.

### ***Equity Incentive Compensation***

The Company believes that by providing its executives the opportunity to increase their ownership of Company stock, the interests of its executives will be more closely aligned with the best interests of the Company's stockholders, encouraging long-term performance. The stock awards enable the executive officers to participate in the appreciation of the value of the Company's stock, while personally participating in the risks of business setbacks. The Company grants equity awards to its executives pursuant to the Fortress Biotech, Inc. 2013 Stock Incentive Plan, as amended (the "2013 Plan").

While the Company has awarded stock options to the executive officers as incentives in the past, it more recently has awarded restricted stock or restricted stock units ("RSUs") to its executives. These RSUs vest in equal annual installments over a period of several years.

### PAY VERSUS PERFORMANCE

The following table shows the past two fiscal years' total compensation for our named executive officers as set forth in the Summary Compensation Table, the "compensation actually paid" to our named executive officers (as determined under SEC rules), our total shareholder return (TSR), and our net income.

SEC rules require certain adjustments be made to the Summary Compensation Table totals to determine Compensation Actually Paid as reported in the Pay Versus Performance Table. Compensation Actually Paid does not necessarily represent cash and/or equity value transferred to the applicable named executive officer without restriction, but rather is a valuation calculated under applicable SEC rules. In general, Compensation Actually Paid is calculated as summary compensation table total compensation adjusted to (a) include the value of any pension benefit (or loss) attributed to the past fiscal year, including on account of any amendments adopted during such year; and (b) include the fair market value of equity awards as of December 31, 2022 or, if earlier, the vesting date (rather than the grant date) and factor in dividends and interest accrued with respect to such awards. For purposes of the disclosure below, no pension valuation adjustments were required.

#### Analysis of the Information Presented in the Pay Versus Performance Table

#### Compensation Actually Paid and Net Income (Loss)

Due to the nature of our Company's consolidated financials and primary focus on research and development of novel therapies, our company has not historically utilized net income (loss) as a performance measure for our executive compensation program. From 2021 to 2022, our net loss increased and the Compensation Actually Paid our PEO and Non-PEO NEOs also decreased between those years.

#### PEO and Non-PEO NEO Compensation Actually Paid and Company Total Shareholder Return ("TSR")

The following chart sets forth the relationship between Compensation Actually Paid to our PEO, the average of Compensation Actually Paid to our Non-PEO NEOs, and the Company's TSR over the period covering fiscal years 2021 and 2022. A large component of our executive compensation is equity-based to align compensation with performance, but also includes other appropriate incentives such as cash bonuses that are designed to incentivize our executives to achieve annual corporate goals. We believe the equity-based compensation strongly aligns our PEO and Non-PEO NEOs' interests with those of our shareholders to maximize long-term value and encourages long-term employment.

All information provided above under the "Pay Versus Performance" heading will not be deemed to be incorporated by reference in any filing of our company under the Securities Act of 1933, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

#### DIRECTOR COMPENSATION

In October 2010, the Board of Directors adopted a compensation program for its non-employee directors, or the Non-Employee Director Compensation Policy. Pursuant to the Non-Employee Director Compensation Policy, each member of the Board who is not a Company employee and who is not otherwise receiving compensation from the Company pursuant to another arrangement, will receive an annual cash retainer of \$30,000, payable quarterly, and may receive an initial stock option, restricted stock or restricted stock unit grant for shares of the Company's common stock. Any such initial stock option, restricted stock or restricted stock unit grant will vest in three annual installments. In July 2011, the Non-Employee Director Compensation Policy was modified to include additional fees for committee participation whereby committee members and committee chairs will receive additional annual cash retainers of \$5,000 and \$10,000, respectively, payable quarterly. In addition, members may annually receive a restricted stock or restricted stock unit grant for (i) up to 50,000 shares of the Company's common stock for service on the Board and (ii) up to 50,000 shares of the Company's common stock for service on the Strategic Transaction Committee. Beginning in 2012, Audit Committee members and chairs receive additional annual cash retainers of \$7,500 and \$15,000, respectively, payable quarterly.

#### Non-Qualified Deferred Compensation

On March 12, 2015, the Compensation Committee of the Board approved a deferred compensation plan (the "Plan") for non-employee directors ("Participants"). The Plan is administered by the Compensation Committee and intended to be a non-qualified benefit plan for purposes of the Employee Retirement Income Security Act of 1974, as amended.

13

Pursuant to the Plan, a Participant can defer all or a portion of Participant's unearned annual fees, meeting fees and committee fees, including restricted stock and restricted stock units. Deferred cash compensation will be converted into a number of stock units, determined based upon the closing price of the Company's common stock on the date such fees would otherwise have been payable and placed into the Participant's deferred compensation account ("Account"). Deferred restricted stock unit grants will be converted on a share-for-share basis on the date such restricted stock units would otherwise have been payable and placed into the Participant's Account.

On the tenth business day of January of the year following the Participant's termination of service on the Board due to resignation, removal, failure to be re-elected or retirement, the amount of deferred compensation in the Participant's Account will be distributed to the Participant in a lump sum payment of a number of shares of the Company's common stock under the Plan equal to the number of whole stock units in the Account and cash in lieu of any fractional shares. Distributions from the Account may be accelerated in the event of the Participant's death or upon a corporate transaction (as defined in the Plan).

The Registered Direct Offering closed on February 10, 2023.

*Sale of Contingent Subsidiary Securities*

In connection with the closing of the sale of the Shares in the Registered Direct Offering, on February 7, 2023, we also entered into a Letter Agreement (the “Letter Agreement”) with the Investors for a concurrent private placement offering (“Private Placement”) and together with the Registered Direct Offering, the “Offering”, in which we agreed to issue rights to acquire Contingent Subsidiary Securities in certain subsidiaries to the Investors for nominal consideration, but contingent on stockholder approval of this Proposal No. 1. The Company may in the future arrange for the consummation of a CDT between a third-party licensor/seller, on the one hand, and, on the other hand, either one or more of its existing subsidiaries or one or more new subsidiaries incorporated by the Company after the date of the Letter Agreement for purposes of acquiring a Product Candidate (collectively, the “Designated Subsidiaries”), up to 20 Designated Subsidiaries. As used herein, (“CDT”) or “Corporate Development Transaction” means the first (and only the first) acquisition, designated as such by the Company in its sole discretion, by a given Designated Subsidiary of intellectual property rights (via license, asset purchase, stock purchase, merger or otherwise) pertaining to a biopharmaceutical technology, product, product candidate, medical device or compound (a “Product Candidate”). Therefore, concurrently with the closing of the sale of the Shares in the Offering, pursuant to the Letter Agreement we agreed to provide to each Investor rights to acquire ten-year warrants, in each case at an exercise price equal to the Fair Market Value (as defined in each Contingent Subsidiary Security) of one Designated Subsidiary Share (as defined below) on the date of the Corporate Development Transaction (each, a “Contingent Subsidiary Security” and collectively the “Contingent Subsidiary Securities”), to purchase shares of common stock of each Designated Subsidiary equal to the Aggregate Warrant Percentage (as defined below) of the total outstanding shares of common stock of that Designated Subsidiary (the “Designated Subsidiary Shares”), determined on an issued and outstanding, as-converted into common stock basis, as of the date of the Letter Agreement for existing Designated Subsidiaries or as of the date of incorporation (the date the articles of incorporation or applicable documents are filed with the secretary of state or similar government body) for Designated Subsidiaries that are incorporated after the date of Letter Agreement. A holder of the Contingent Subsidiary Securities also will have the right to exercise its Contingent Subsidiary Securities on a cashless basis. As used herein, the “Aggregate Warrant Percentage” shall mean a maximum of 3.474%. Each Investor under the Securities Purchase Agreement shall be entitled to a warrant to purchase only up to their pro-rata share of the Aggregate Warrant Percentage in the Designated Subsidiary Shares calculated as follows: the total purchase price paid by an Investor for the Shares purchased under the Securities Purchase Agreement, divided by the total aggregate purchase price paid by all Investors for the Shares purchased under the Securities Purchase Agreement, and then multiplying the resulting fraction by 3.474%.

Each Contingent Subsidiary Security will be exercisable with respect to a given Designated Subsidiary that has consummated a CDT for a period of ten (10) years from the issuance date of the Contingent Subsidiary Security. The issuance of the Contingent Subsidiary Securities will not occur until the consummation of a CDT and the Fair Market Value of the Designated Subsidiary Shares is determined by the Company, in its sole discretion, which Fair Market Value determination shall be binding upon all parties. The Company will notify the Investors in writing at the time of each such CDT consummation and again at the time the Fair Market Value determination for the Designated Subsidiary Shares is made for each Designated Subsidiary. Notwithstanding the foregoing or any other provision herein, once twenty (20) of the Designated Subsidiaries have consummated CDTs, or five years have elapsed from the date of the closing of the Registered Direct Offering, whichever is sooner, rights to future Contingent Subsidiary Securities shall immediately be extinguished and canceled, and the Investors shall have no further rights to acquire new Contingent Subsidiary Securities other than any Contingent Subsidiary Securities that have been previously issued. For clarity, in each case subject to the other provisions of the Letter Agreement, (1) all the Investors may obtain up to the Aggregate Warrant Percentage of the total outstanding shares in an aggregate of twenty (20) Designated Subsidiaries that have consummated a CDT, at which point all remaining rights to acquire Contingent Subsidiary Securities will be terminated, and (2) the Company retains sole discretion whether to arrange for a CDT (thereby incurring the obligation to issue Contingent Subsidiary Securities, and therefore Designated Subsidiary Shares upon a Contingent Subsidiary Security exercise, subject to the limitations herein) or to arrange for the acquisition of a Product Candidate by a separate, existing subsidiary or partner of the Company in a non-CDT transaction (i.e., not a Designated Subsidiary).

The Company received net proceeds of approximately \$13.2 million from the Registered Direct Offering and sale of Contingent Subsidiary Securities, based on the offering price of \$0.835 per share of common stock, after deducting estimated offering expenses. The Company intends to use the net proceeds for our operations, including, but not limited to, general corporate purposes, which may include research and development expenditures, clinical trial expenditures, manufacture and supply of product, and working capital. The timing and amount of our actual expenditures will depend on several factors. As of the date of this proxy statement, we cannot specify with certainty all of the particular uses for the net proceeds; accordingly, our management will have broad discretion in the application of proceeds.

*Effect of Issuance on Existing Shareholders*

We do not expect the issuance of the rights to acquire the Contingent Subsidiary Securities to have an effect on the rights of existing shareholders of the Company.

#### *Contingent Subsidiary Securities Subject to Shareholder Action*

The material features of the Contingent Subsidiary Securities are set forth above in the section captioned “*Sale of Contingent Subsidiary Securities*” and the Interested Directors and Officers that purchased the Contingent Subsidiary Securities are set forth below under the section captioned “*Interests of Directors and Executive Officers*.” The benefits or amounts that will be received by or allocated to each of the Interested Directors and Officers by virtue of their purchase of the Contingent Subsidiary Securities is not determinable at this time, and until the consummation of a CDT and the Fair Market Value of the Designated Subsidiary Shares is determined by the Company.

#### *Stockholder Approval Pursuant to Nasdaq Listing Rule 5635(c)*

We seek your approval of this Proposal No. 1 in order to satisfy the requirements of Nasdaq Listing Rule 5635(c) with respect to the issuance of the rights to acquire the Contingent Subsidiary Securities. A sale of securities in a transaction (other than a public offering) at a discount to the market value to the Company’s officers, directors, employees, or consultants requires shareholder approval under Listing Rule 5635(c) because it is considered a form of equity compensation. We are selling the Contingent Subsidiary Securities for nominal consideration in the Offering, and therefore not at market value, and the Interested Directors and Officers are participating as Investors in the Offering.

Until such stockholder approval is received, no Contingent Subsidiary Securities (or rights to acquire them) will be issued. The approval of this proposal at the special meeting would constitute such approval for purposes of Nasdaq Listing Rule 5635(c).

#### *Effects if Proposal No. 1 Is Not Approved*

Unless stockholder approval of this Proposal No. 1 is received, no Contingent Subsidiary Securities (or rights to acquire them) will be issued. If the Investors do not receive the rights to acquire the Contingent Subsidiary Securities, they may be inclined not to participate in future Company financings, which may cause us not to be able to obtain the most favorable terms for such offerings. Any inability to obtain future financings on sufficiently favorable terms may have a material adverse effect on our business, results of operations and financial condition.

#### **Interests of Directors and Executive Officers**

The Company’s Chairman, President and Chief Executive Officer, Lindsay A. Rosenwald, M.D., Director and Executive Vice Chairman, Strategic Development, Michael S. Weiss, Chief Financial Officer, David Jin, and Directors, J. Jay Lobell, Lucy Lu and Eric Rowinsky (collectively the “Interested Directors and Officers”) may have a substantial interest, directly or indirectly in the matter set forth by this Proposal No. 1 by virtue of their purchase of the Contingent Subsidiary Securities in the Offering. The Offering, including the participation by the Interested Directors and Officers, were approved by the disinterested members of our Board of Directors. As of the Record Date for the Special Meeting, the Interested Directors and Officers own 32,310,221 shares of the Company’s common stock, or 28.5 % shares of the Company’s common stock outstanding as of the Record Date. The Interested Directors and Officers may vote all such shares of the Company’s common stock on this Proposal No. 1. The Interested Directors and Officers will not vote any shares of common stock acquired after the Record Date, including the Shares acquired in the Offering. None of the Company’s other directors or executive officers have any substantial interest, directly or indirectly, in the matters set forth in this Proposal No. 1 except to the extent of their ownership of shares of the Company’s common stock.

**THE BOARD RECOMMENDS A VOTE “FOR” APPROVAL OF THE ISSUANCE OF RIGHTS TO ACQUIRE THE CONTINGENT SUBSIDIARY SECURITIES. THE AFFIRMATIVE VOTE OF THE MAJORITY OF SHARES PRESENT IN PERSON OR BY PROXY AT THE MEETING AND ENTITLED TO VOTE ON THE SUBJECT MATTER IS REQUIRED FOR APPROVAL.**

#### **Stockholder Proposals for Our 2023 Annual Meeting**

*The following information is being provided with respect to proposals to be brought for our upcoming 2023 annual meeting of stockholders.*

Only proper proposals under Rule 14a-8 of the Exchange Act of 1934, as amended, which are timely received will be included in the proxy materials for our next annual meeting. In order to be considered timely, such proposal must have been received by our General Counsel and Corporate Secretary, Sam Berry, at 1111 Kane Concourse Suite 301, Bay Harbor Islands, FL 33154, no later than December 30, 2022. We suggest that stockholders submit any stockholder proposal by certified mail, return receipt requested.

Our Second Amended and Restated Bylaws require stockholders to provide advance notice to the Company of any stockholder director nomination(s) and any other matter a stockholder wishes to present for action at an annual meeting of stockholders (other than matters to be included in our proxy statement, which are discussed in the previous paragraph). In order to properly bring business before an annual meeting, our Second Amended and Restated Bylaws require, among other things, that the stockholder submit written notice thereof complying with our Second Amended and Restated Bylaws to Sam Berry, our General Counsel and Corporate Secretary, at the above address, not less than 45 days nor more than 75 days prior to the anniversary of the mailing of the preceding year’s proxy materials. Therefore, the Company must receive notice of a stockholder proposal submitted other than pursuant to Rule 14a-8 (as discussed above) no sooner than February 13, 2023, and no later than March 15, 2023. If a stockholder fails to provide timely notice of a proposal to be presented at our 2023 Annual Meeting of Stockholders, the proxy designated by our Board will have discretionary authority to vote on any such proposal that may come before the meeting.

In addition to satisfying the foregoing requirements under the Company's bylaws, to comply with the universal proxy rules (once effective), shareholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 22, 2023.

**Other Matters**

Our Board does not know of any other matters that may come before the meeting. However, if any other matters are properly presented to the meeting, it is the intention of the person named in the accompanying proxy card to vote, or otherwise act, in accordance with their judgment on such matters.

**Solicitation of Proxies**

We will bear the cost of solicitation of proxies. In addition to the solicitation of proxies by mail, our officers and employees may solicit proxies in person or by telephone. We may reimburse brokers or persons holding stock in their names, or in the names of their nominees, for their expenses in sending proxies and proxy material to beneficial owners. Additionally, the Company has retained Alliance Advisors, LLC ("Alliance Advisors") a proxy solicitation firm, which may solicit proxies on the Board's behalf. The Company estimates that it will pay Alliance Advisors a fee of \$12,000 for its services plus reimbursement of customary disbursements and expenses. Alliance Advisors expects that 2 of its solicitors will assist in the solicitation.
